Sample expense evidence schedule

Fictional capstone training case. All identities, references and transactions are invented.

Taxpayer: ARUN DEMO AGARWAL
Assessment year: 2024-25
Illustrative supplier / description / amount
Demo Trading Support / sales-support services / Rs.2,00,000
Demo Packaging / packing materials / Rs.1,50,000
Demo Delivery / delivery services / Rs.1,50,000
TOTAL DISPUTED EXPENSES / Rs.5,00,000

Each entry is assumed to have an invoice and matching bank payment in the fictional record. This is an illustrative evidence summary, not an actual invoice or bank statement. It does not independently establish deductibility. Before using the app for an actual appeal, inspect the underlying supporting evidence.

For this demo, treat this schedule as a summary of evidence already referred to during assessment, not new evidence. Select No for additional evidence only on that constructed assumption.
